The following pet policy is established to ensure the safety and enjoyment of all guests, team members, and four legged friends:

- Guest agrees to be responsible for any and all damage caused by any pets in the guest room and on the hotel property.
- Guest assumes any and all financial responsibility for any damage caused in any way by the pet including but not limited to: scratches, carpet cleaning, stained linens, hair removal, odor removal, or any other damage caused by the pet.
- Pets should not be left unattended at any time including the guest room.
- Guest agrees to hold SCP Hotel's owners, employees, and other guests free from liability in any way regarding the pet's actions.
- Pets are to be always restrained on a leash no longer than 10 feet in all public areas in and around the hotel.
- Pet food cannot be stored or presented outdoors at any time as this will attract wildlife and insects.
- Pets cannot be tied up or chained anywhere around the property.
- Pets must be current on vaccinations and in good health.
- Guest agrees to be mindful of the comfort of other guests and employees and also agrees to minimize any noise caused by the pet.
- Guest will be financially responsible if the hotel must compensate or move other guests as a result of any disruption by the pet.
