

## SCP HOTELS PET POLICY

Our four-legged, furry friends are more than just pets - they are family! Dogs are welcome at SCP Hotels but must adhere to the following guidelines.

The following pet policy is established to ensure the safety and enjoyment of all guests, team members, and all pets:

- Guest agrees to immediately clean up after pet in the room and on the hotel grounds.
- Guest agrees to be responsible for any and all damage caused by any pets in the unit and on the hotel property.
- Pets should not be left unattended at any time.
- Guest agrees to hold SCP Hotel's owners, employees, and other guests free from liability in any way regarding the pet's actions.
- Pets are to be always restrained on a leash no longer than 10 feet in all public areas in and around the hotel.
- Pet food cannot be stored or presented outdoors at any time as this will attract wildlife and insects.
- Pet cannot be tied up or chained anywhere around the property.
- Pets must be current on vaccinations and in good health.
- Guest assumes any and all financial responsibility for any damage caused in any way by the pet. Including but not limited to, scratches, carpet cleaning, stained linens, hair removal, odor removal, or any other damage caused by the pet.
- Guest agrees to be mindful of the comfort of other guests and employees and also agrees to minimize any noise caused by the pet.
- Guest will be financially responsible if the hotel must compensate or move other guests as a result of any disruption by the pet.

SCP Hotel reserves the right to terminate a stay without refund of any guest whose pet(s) are considered a nuisance. Guests will be asked to agree to these policies in writing and agree to have any damages paid by credit card.

We look forward to hosting you and your furry friends at SCP!
